

CAPTAINS MUST GIVE THIS SHEET TO SPONSOR

Hello, and welcome to Empire State Darts. This sheet has been given to you because a Team Captain has requested to be sponsored by your establishment to participate in our dart league. In order to sponsor a team sanctioned by Empire State Darts, Team Captains must confirm their sponsor will agree to pay the sponsor fee(s) described below prior to being added to the schedule. If you have decided to sponsor a team, call the league office at 862-2216 or email us at esdarts@hotmail.com to notify us you have received this letter. We can arrange pick up of your sponsor fee, or you can give it to the captain of the team you are sponsoring to turn in at the league meeting. This will let us know what to expect to receive from them, and help ensure your money is accounted for properly.
